Dear Magdy,

How are you these days? I know you are very busy with your work but, please just spend five minutes reading my letter.

Recently, I saw a film called "*The Click*". It's about a man who was always busy with his work, like you. He was so busy that he didn't have time for his family. He thought that making a lot of money would bring happiness to his home. Until one day, he found a magic remote control. By clicking on it, he could make

time pass more quickly. At first, it was a very good thing. He used it all the time. He used it to replace the time he spent with his family to the time he spent on work. However, he didn't know that he could make time go back until he looked in the mirror and saw he was an old man! It was too late. His wife got married to another man, his daughter was a beautiful lady, his son was about to get married and his father died. Finally, the last words he said to his family were: "Family's got first".

Please take a rest and go out, have fun with your family. Wish you and your family all the best.

Last night, I went to see *Julius Caesar*. It's a play by the English writer William Shakespeare, but it's about a Roman ruler. Caesar's acting made him look very important! At this time, this opera house was the biggest in Africa and one of the most important opera houses in the world. It was destroyed[13] in a fire[14] in 1971, but a new opera house opened in 1988. It is called the Cairo Opera House.This is a beautiful building on Gezira Island.

Paragraphs

- فقرات إنشائية ورسائل بريد الكترونى عن موضوعات وردت بالوحدة:

① A review of a film you have just watched "Jurassic World"

I watched a film called "Jurassic World." It is an adventure film. Many stars act in the film. It is about a theme park. In that park, there is a group of scientists. They help dinosaurs to live again! Then some of the dinosaurs escape. I think the action is exciting. My favourite thing is the scary dinosaurs. They look very real. But, in my opinion, the story isn't very interesting or new. I recommend this film if you like exciting and scary films, but not if you want a good story.

② Difficulties that disabled people have

We see disabled people around us. There are blind people who can't see. There are deaf people who can't hear. There are some people who can't walk. They are useful to our country. Some of them do important jobs. Try to help disabled people. Do not leave bags on the floor on public means of transport. Tell a blind person about objects on the street. Shout at a person if you think they can't hear you. Ask a person in a wheelchair if they need help. We should all treat them as normal people like us.

Clothes in Ancient Egypt

In Ancient Egypt[1], men and women wore[2] similar[3] clothes. They both wore loose[4], white, linen[5] clothes with a belt[6]. Most of[7] the time, Ancient Egyptians did not wear shoes but people sometimes wore expensive leather sandals[8]. Children did not usually wear many clothes until they were about six years old. Then they started to wear the same clothes as their parents.

Although Ancient Egyptians' clothes were simple, they loved to wear heavy[9], metal jewellery[10]. Like some people today, they liked to wear beautiful gold necklaces[11] and other jewellery.
